**Second side of body:** To make second side arms, cast on 8 stitches at beginning of next 2 rows (32 stitches). Work 8 more rows, then cast off 8 stitches at beginning of next 2 rows. To make second side body, work 14 rows on remaining 16 stitches.

**Second side legs:** Work first 8 stitches, then work 15 more rows on these stitches, a total of 16 rows. Cast off. Return to remaining 8 stitches and work 16 rows on them. Cast off.

**Muzzle:** Cast on 16 stitches loosely. Work 2 rows. Next row knit 2 together across row. Break yarn, thread end through stitches and take off knitting needle. Pull tightly and sew side seam.

**Making up:** Fold knitting in half, right sides together, lining up sides. Sew around bear, leaving opening at lower side of head. When sewing top corners of head, round the corners slightly to form ears. Also round ends of each limb slightly.

Turn inside out.

Form ears by stitching lines of small running stitches diagonally across top corners of head.

Stuff legs only. Sew diagonal lines of small running stitches from crotch to side of body at the top of both legs.

Stuff rest of body and head, making a rounded tummy, then sew up seam on side of head. Sew a line of gathering stitches in same yarn around the neck. Pull up tightly and secure.

Position muzzle on head just above neck. Stuff lightly and stitch in place.

**Face:** Using black wool make eyes just above muzzle. Make nose just above pulled up stitches of muzzle, with mouth underneath.

(The teddy will be completed with an orange and white Life's Little Treasures Foundation ribbon around the neck, at our office.)
