Second side of body: To make second side arms, cast on 20 stitches at beginning of next 2 rows (72 stitches). Work 16 more rows, then cast off 20 stitches at beginning of next 2 rows. To make second side body, work 24 rows on remaining 32 stitches.

Second side legs: Work first 16 stitches, then work 29 more rows on these stitches, a total of 3 rows. Cast off. Return to remaining 16 stitches and work 30 rows on them. Cast off.

Muzzle: Cast on 24 stitches loosely. Work 4 rows. Next row knit 2 together across row. Break yarn, thread end through stitches and take off knitting needle. Pull tightly and sew side seam.

Making up: Fold knitting in half, right sides together, lining up sides. Sew around bear, leaving opening at lower side of head. When sewing top corners of head, round the corners slightly to form ears. Also round ends of each limb slightly. Turn inside out.

Form ears by stitching lines of small running stitches diagonally across top corners of head.

Stuff legs only. Sew diagonal lines of small running stitches from crotch to side of body at the top of both legs.

Stuff rest of body and head, making a rounded tummy, then sew up seam on side of head. Sew a line of gathering stitches in same yarn around the neck. Pull up tightly and secure.

Position muzzle on head just above neck. Stuff lightly and stitch in place.

Face: Using black wool make eyes just above muzzle. Make nose just above pulled up stitches of muzzle, with mouth underneath.

(The teddy will be completed with an orange and white Life's Little Treasures Foundation ribbon around the neck, at our office.)

Your donations will be going to our smallest and most vulnerable babies and so we must ensure our donations are in keeping with hospital guidelines.

Do you accept donations other than the items listed on your website?
